SPONSORSHIP TIER COMPARISON

LETTER FROM THE PRESIDENT

DEAR SPONSORS & FRIENDS.

Design is a universal language - optimistic, intellectual, personal, and emotional. It leads with dignity and strives to create equity for all. At IIDA, inclusion holds deep meaning; it represents the strength of our members and the collective power of our community. Across Alabama, the interior design industry is dedicated to fostering a more inclusive, innovative, and impactful design culture - and we can only achieve this together.

On behalf of IIDA Alabama, I extend our heartfelt gratitude to our 2025 Annual Sponsors for your generosity and continued partnership. Your support plays an essential role in advancing the interior design profession and elevating the value of design in our communities. Because of you, we can provide meaningful resources, host impactful events, and advocate for the importance of interior design throughout Alabama. We are truly thankful for your commitment and proud to have you as part of the IIDA family.

To our returning sponsors - and to those joining us for the first time - thank you for your interest and support. By partnering with IIDA Alabama, you not only help empower design professionals through education and connection, but you also align your brand as a leader within the interior design industry.

Your sponsorship ensures that IIDA Alabama can continue to deliver exceptional programming such as Student Day, Codes Blast, Advocacy Week, the Professional Development Symposium, and more. These events strengthen our community, promote professional growth, and celebrate the power of design.

As an annual sponsor, your contribution drives positive change. We're proud to offer a range of sponsoring opportunities designed to highlight your brand and create meaningful engagement. From exclusive recognition to customized sponsorship packages, our goal is to make this partnership mutually rewarding - offering visibility, networking, and business development opportunities that reflect our shared mission.

Your continued involvement helps us amplify the voice of IIDA Alabama and advance the conversation around design, community, and professionalism. Together we can continue to inspire, connect, and lead the future of design.

Thank you again for your ongoing support. We look forward to another year of collaboration, innovation, and growth.

HERE'S TO ANOTHER YEAR!

WITH YOUR SUPPORT, OUR WORK IS MADE POSSIBLE.

2025 SPONSORS

A heartfelt thank-you to all of our 2025 chapter sponsors! Your generosity helps us continue to host meaningful events and introduce new ways for our design community to connect and grow. We deeply appreciate your continued support and dedication to our chapter.

■ WHAT IS THE DIFFERENCE BETWEEN

MEMBERSHIP & SPONSORSHIP

IIDA AL INDUSTRY MEMBERSHIP

- » Membership dues are processed at a national level through IIDA Headquarters.
- » Must be a manufacturer or dealer of Interior Design products.
- » Member of the entire IIDA association and opportunity to be affiliated with an IIDA chapter(s).
- » Personal membership ID number and opportunity to use membership appellation.
- » Involvement opportunities (chapter committee member or event volunteer).
- » Discounted tickets to various chapter events.

IIDA AL SPONSORSHIP

- » Sponsorship dollars are paid directly at the local level through Alabama Chapter.
- » Any company can be a sponsor at the local chapter level.
- » Sponsorship dollars directly benefit Alabama Chapter design community and members.
- » Sponsorship benefits are set by the local chapter level.
- » IIDA Headquarters membership benefits are not applicable (if not also an individual member).
- » Chapter sponsors cannot serve on an event committee (if not also an individual member).
- » Discounted tickets to various chapter events.

SPONSORSHIP BENEFITS

- Five Levels of Sponsorship with Industry Recognition
- Directly Support Local IIDA AL Chapter & Local Interior Design Professionals
- Opportunity to Network with Industry Professionals, Partners, and Clients
- Complimentary Tickets to eligible IIDA AL Events
- Support Legislative Efforts for the Interior Design Profession for the State of Alabama
- First Chance to Sponsor & Host Educational and Networking Events
- Ability to Participate in Philanthropic Events
- Help Support, Engage and Educate Industry Professionals and Students
- Name and Logo Prominently Displayed Online and at Events
- Social Media and Marketing Highlights to Present Products and Events for Sponsors
- Student and Emerging Professional Programs
- Early-Bird Commitment With Payment Discount Available

■ WHAT IS THE IIDA FOUNDATION?

The IIDA Alabama Foundation is a 501(c)3 non-profit philanthropic organization with a mission to drive innovation and advancements in the commercial interior design field. The foundation seeks to make a meaningful impact through supporting grants, education research, and outreach opportunities.

■ FAQS

Is the Foundation national or local?

Both. IIDA Headquarters receives sponsorship for their Foundation funds and uses it to financially support design awards and other initiatives at the national and international levels.

The IIDA Alabama Chapter is opening their own Foundation fund, called the Professional Development Fund of the Alabama Chapter of the International Interior Design Association (IIDA), to be funded by the Chapter and local sponsors and directly benefit designers in our state.

For what will the Alabama Chapter use the Foundation funds?

The funds you donate directly to the Alabama Chapter's Foundation fund will be to support activities directly related to the advancement of the professional development of IIDA Alabama Members. The Fund will support members of IIDA Alabama who are pursuing credentials in the design industry by sitting for industry exams such as LEED, WELL, and the NCIDQ. The Fund may also support other activities pertaining to design education and professional development in the interior design profession (such as state licensure) as defined by the Fund Committee.

Can IIDA Headquarters use funds from IIDA Alabama's Foundation Fund?

No. The funds for our Foundation account will never be used by IIDA Headquarters. IIDA Alabama is establishing a separate Fund Committee, chaired by the immediate Past President, to oversee the development and disbursement of these funds according to the fund's mission.

Why should I contribute to IIDA Alabama's Foundation Fund?

Sponsorship of IIDA Alabama is not tax deductible, and chapter sponsorship can be used in a myriad of ways from website maintenance to advertising to event fees. The Fund adds another donation opportunity for sponsors that is tax deductible, applied to a specific cause, and has its own different type of benefits. However, without annual chapter sponsorship our chapter cannot continue to exist, so we appreciate continued financial support annually.

What are the benefits of donating to IIDA's Foundation Fund?

The IIDA Alabama Chapter will acknowledge contributions to the Fund on a special section of its website. The Foundation's web site will list the Fund and include a link to the contributing organization's web site, if applicable. Remember that this donation is tax deductible!

For the 2026 sponsorship year, we are offering sponsorship benefits for Fund donations. Donations of certain amounts to the Fund will result in certain marketing benefits from IIDA Alabama. Please see the sponsorship matrix for additional information. Our Foundation initiative is new and growing, so look for more benefits in the future.
